Independent Auditors' Report

To the Board of Directors of Sojourner Family Peace Center, Inc.

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Sojourner Family Peace Center, Inc. (the Organization), which comprise the consolidated statement of financial position as of September 30, 2022, and the related consolidated statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Organization as of September 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.
 Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
 raise substantial doubt about the Organization's ability to continue as a going concern for a
 reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal and state awards and supplementary information, as identified in the table of contents, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards and the State Single Audit Guidelines, are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Report on Consolidating Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating information, as identified in the table of contents, is presented for purposes of additional analysis of the consolidated financial statements rather than to present the financial position, changes in net assets and cash flows of the individual organizations, and it is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The consolidating information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the consolidating information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 1, 2023 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Notes to Consolidated Financial Statements September 30, 2022

1. Summary of Significant Accounting Policies

Nature of Activities

The mission of Sojourner Family Peace Center, Inc. (SFPC) is to transform lives impacted by domestic violence. SFPC's goal is to ensure the safety of victims of family violence and provide a pathway out of violence for victims and abusers through opportunities to make positive and lasting changes for themselves and their children. SFPC's programs address domestic violence on five fronts: services for adult victims, child victims, and abusers; a domestic violence hotline; courthouse/legal services; shelter services; and community education. This holistic approach reaches the victims, abusers, the community and the systems established to address domestic violence in our community.

Sojourner Foundation, Inc. (the Foundation) was created in April 2014 to provide philanthropic support for SFPC through the solicitation, receipt, administration and disbursement of charitable contributions for the promotion of peaceful communities, domestic respect and a life free from violence. The business affairs of the Foundation are managed by its Board of Directors subject to and in compliance with the Articles of Incorporation, Bylaws and the Wisconsin Nonstock Corporation Law. The sole member of the Foundation is SFPC.

Principles of Presentation

The accompanying consolidated financial statements include the accounts of SFPC and the Foundation (collectively, the Organization) and have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Under these principles, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions. Net assets with donor restrictions are created by donor-imposed restrictions on their use. The Board has designated a portion of its net assets without donor restrictions (Note 7). All significant intercompany accounts and transactions have been eliminated in consolidation. In addition, the Organization is required to present a consolidated statement of cash flows.

Cash and Cash Equivalents

The Organization defines cash equivalents as highly liquid, short-term investments with a maturity at the date of acquisition of three months or less.

As of September 30, 2022, cash and cash equivalents consisted of the following:

Petty cash	\$	900
Checking accounts		576,257
Money market funds		456,152
	_	
Total cash and cash equivalents	\$	1,033,309

Investments

The Organization carries investments in the consolidated statement of financial position at fair value. Realized and unrealized gains and losses, net of fees, are included in the change in net assets in the accompanying consolidated statement of activities as investment return, net. Donated assets are recorded at fair value at the date of donation, or, if sold immediately after receipt, at the amount of sales proceeds received (which are considered a fair measure of the value at the date of donation). The Organization records the change of ownership of bonds and stocks on the day a trade is made.

Notes to Consolidated Financial Statements September 30, 2022

Grants Receivable

Grants receivable represents the outstanding balance of public grants due to the Organization based upon allowable costs incurred. Management determines the need for an allowance for doubtful accounts based on historical collection experience and a review of current receivable balances. No allowance for doubtful accounts is considered necessary as of September 30, 2022. No accounts were written off during the year ended September 30, 2022.

United Way Receivable and Contributions Receivable

Unconditional promises to give made to the Organization are recorded in the year the pledge is made. Current contributions receivable are expected to be collected during the next year and are recorded at net realizable value. An allowance for uncollectible promises to give is determined based on experience. No allowance was deemed necessary as of September 30, 2022. The discount on long-term contributions receivable is computed using the estimated rate of borrowing applicable to the years in which the promises are received. Amortization of the discount is included in contribution revenue. The discount is included in the noncurrent portion of the contribution receivable on the consolidated statement of financial position. The rate used to discount contributions receivable as of September 30, 2022 was 6.25%.

Net contributions receivable are summarized as follows at September 30, 2022:

Total contributions receivable Less unamortized discount	\$	487,923 (625)
Net contributions receivable	\$	487,298
Gross contributions receivable at September 30 are estimated to b	e collec	ted as follows:
Less than one year Within one to five years	\$	477,923 10,000
Total	\$	487,923

Property and Equipment

All property and equipment are stated at cost, or, if donated, at the approximate fair value at the date of the donation. All acquisitions of property and equipment in excess of \$1,500 and an expected useful life greater than one year and all expenditures for improvements and betterments that materially prolong the useful lives of assets are capitalized.

Donated property and equipment are recorded as increases in net assets without donor restrictions at their estimated fair value as of the date received, unless restricted by donor. Contributions of cash that must be used to acquire or construct property and equipment are reported as contributions with donor restrictions and released from restriction to net assets without donor restrictions when the long-lived asset is placed into service unless otherwise required by the donor.

Notes to Consolidated Financial Statements September 30, 2022

Depreciation is computed using the straight line method based on estimated useful lives. The categories of property and equipment can be summarized as of September 30, 2022:

Land	\$	809,226
Buildings		18,657,114
Furnishings and equipment		1,334,240
Vehicles		22,501
Construction in progress		56,942
Total property and equipment		20,880,023
Less accumulated depreciation	_	(4,334,002)
Net property and equipment	\$	16,546,021

The Organization is currently completing the second phase of a three phase new phone system installation. Estimated completion is March, 2023 and cost is \$115,000.

Impairment of Long-Lived Assets

The Organization regularly evaluates its long-lived assets for indicators of possible impairment. Should impairment exist, the impairment loss would be measured based on the excess carrying value of the asset over the asset's fair value. No impairment losses were recognized during the year ended September 30, 2022.

Deferred Revenue

Deferred revenue consists primarily of prepaid partner rent. Partner rent revenue is recognized ratably over the lease period.

Net Assets

Net assets, revenues, gains and losses are classified based on the existence or absence of donorimposed restrictions. Accordingly, net assets of the Organization are classified and reported as follows:

Without Donor Restrictions - Net assets that are not subject to donor-imposed stipulations. The Board has designated a portion of its net assets without donor restrictions (Note 7).

With Donor Restrictions - Net assets subject to donor-imposed stipulations that either expire by passage of time, can be fulfilled and removed by actions of the Organization pursuant to those stipulations, or are required to be held in perpetuity.

Notes to Consolidated Financial Statements September 30, 2022

Revenues

Federal, State and Other Grants

The Organization receives grants from public government entities in which the Organization is requested to perform services specific to those clients impacted by domestic violence. Revenue is recognized in the accounting period when the allowable expenses for the grant are incurred. Revenue from grants are reported as without donor restrictions when the barriers are overcome and revenue is earned. The Organization submits the request for reimbursement to the funder as all public government contracts are compensated on a reimbursable basis. As of September 30, 2022, there was conditional grants of approximately \$2,187,700 which are expected to be recognized in future years when the conditions are met. As of September 30, 2022, there was approximately \$650,000 of conditional grants passed through to sub-recipients for which expenditures were yet to be incurred and are expected to be paid in future years when the conditions are met.

United Way and Contributions

The Organization recognizes all unconditional contributions received, including those received from United Way, as income in the period the unconditional contributions are received. Contributions are considered unconditional when the Organization meets any barriers or conditions communicated in the agreement. Conditional contributions and grants, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been met. Contributed support is reported as without donor restrictions or as with donor restrictions depending on the existence of donor stipulations that limit the use of the support. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of activities as net assets released from restrictions. As of September 30, 2022, there was conditional contributions of approximately \$160,000, which are expected to be recognized in future years when the conditions are met. Contributions of \$265,925 were received and reflected in the consolidated financial statements from related parties for the year ended September 30, 2022.

In-Kind Contributions

Contributions of non-cash assets, supplies and services are recorded at their fair value in the period received. The Organization received the following in-kind contributions during the year ended September 30, 2022:

Legal services	\$	65,243
Program supplies		34,862
Imputed interest		25,175
Total	\$	125.280
. 0 15.1	<u>Ψ</u>	.20,200

Unless otherwise noted, contributed nonfinancial assets did not have donor-imposed restrictions. Management's policy is to utilize gifts in-kind rather than monetize the gifts for financial assets. Contributed legal services are valued and reported at the estimated fair value of the attorney's rates. Program supplies are valued and reported at the estimated fair value based donor guidance at the time of the gift. Imputed interest is valued and reported using a market interest rate from the date of the loan and the outstanding balance. Included above are donated services of \$8,125 were received and reflected in the consolidated financial statements from related parties for the year ended September 30, 2022.

Notes to Consolidated Financial Statements September 30, 2022

Partner Revenue

Several partners utilizing the Project have entered into rental agreements. The rental revenue is recorded as revenue ratably over the lease term. Rent revenue earned in the year ended September 30, 2022 was \$71,545 and is included in partner revenue on the consolidated statement of activities.

In addition, several partners pay the Organization for operating costs. These costs include administrative services, maintenance, janitorial duties and other miscellaneous services. Performance obligations for the Organization include providing partners these services. The net transaction price is determined as set forth in the contract. The transaction price is allocated to the performance obligation based upon estimated annual operating costs which were determined at the time of the signing of the contract with an assumed annual increase for inflation. Partners pay the Organization monthly or annually. Revenue is recorded as the Organization meets the performance obligations. There are no contract assets or liabilities associated with partner revenue. There is no accounts receivable and deferred revenue was \$36,747 at September 30, 2022 related to these contracts. No revenue was recorded in the year ended September 30, 2022 for performance obligations met in prior periods. Revenue related to these contracts was \$354,486 for the year ended September 30, 2022.

Special Events

Revenues and expenses for future events are deferred until the event takes place. Upon the event taking place, the revenues and expenses are recognized. During the year ended September 30, 2022 the Organization recognized special event revenues totaling \$294,095.

Program Fees and Miscellaneous Revenue

Program fees from client services and miscellaneous revenue are recorded as revenue in the period that the service is performed.

Employee Retention Credit

The Employee Retention Credit (ERC), which was included as part of the CARES Act and amended by the Consolidated Appropriations Act (CAA), the American Rescue Plan Act (ARPA), and the Infrastructure Investment and Jobs Act (IIJA), incentivizes employers severely impacted by the COVID-19 pandemic to retain their employees when they might otherwise find it difficult to do so. The fully refundable tax credit is allowed against the employer's share of employment taxes for qualified wages paid after March 12, 2020 and before October 1, 2021. Credits in excess of the tax amounts paid by an employer are treated as overpayments and are also refunded to the employer. The ERC is calculated as a percentage of qualified wages (as defined in the CARES Act, as amended) paid by an eligible employer. The Organization qualified for the ERC as the Organization experienced a significant decline in gross receipts (for 2020, defined as a 50% decline in gross receipts when compared to the same calendar quarter in 2019, and for 2021, defined as a 20% decline in gross receipts when compared to the same quarter in 2019). The Organization averaged less than 100 full-time employees (FTEs) during 2019, therefore, it was considered a small employer during 2020 and 2021. As a small employer, all of the Organization's otherwise qualified wages were eligible for the ERC. For calendar year 2020, the ERC equaled 50% of an employee's qualified wages up to \$10,000 per employee per calendar quarter with a maximum annual credit for each employee of \$5,000. For calendar year 2021, the ERC equaled 70% of an employee's qualified wages up to \$10,000 per employee per calendar quarter with a maximum annual credit of \$21,000 for each employee.

Notes to Consolidated Financial Statements September 30, 2022

The Organization accounts for this federal funding in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958-605 guidance for conditional contributions and, accordingly, revenues are measured and recognized when barriers are met. The Organization claimed credits of \$713,790 on timely filed forms 941 which were included in other grants revenue in fiscal year 2021. As of September 30, 2022, the Organization had an ERC receivable of \$713,790.

Functional Expense Allocation

Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of periodic time and expense studies and full time equivalents. Occupancy costs are based upon number of employees in a department. General and administrative expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

Estimates

The preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Concentrations

The Organization received approximately 35% of its annual operating revenue from federal and state grants for the year ended September 30, 2022.

Two donors made up approximately 72% of the outstanding balance of contributions receivable at September 30, 2022.

The Organization maintains cash balances in an institution which exceeds the federally insured limit of \$250,000. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash.

Income Taxes

SFPC and the Foundation are exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code as charitable organizations whereby only unrelated business income, as defined by Section 509(a)(1) of the Code, is subject to federal income tax. The Organization currently has no unrelated business net income or uncertain tax positions. Accordingly, no provision for income taxes has been recorded.

Related-Party Transactions

Members of the Organization's Board of Directors and senior management may, from time to time, be associated either directly or indirectly, with entities doing business with the Organization. These transactions are conducted in the normal course of business and in accordance with the Organization's policies and procedures governing potential conflicts of interest.

Notes to Consolidated Financial Statements September 30, 2022

Adopted Accounting Standards

During 2022, the Organization adopted FASB Accounting Standards Update (ASU) No. 2020-07, *Not-for-Profit Entities (Topic 958) Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets* (ASU No. 2020-07). ASU No. 2020-07 improves financial reporting by providing new presentation and disclosure requirements about contributed nonfinancial assets, including additional disclosure requirements for recognized contributed services. The Organization has included enhanced disclosures in the consolidated financial statements.

New Accounting Pronouncements

In February 2016, FASB issued ASU No. 2016-02, *Leases (Topic 842)* (ASU No. 2016-02) that amends the treatment for leases. The new accounting model for leases capitalizes all leases greater than twelve months, both capital and operating, as assets and liabilities on the statement of financial position. The Organization will be required to apply the standard for annual periods beginning after December 15, 2021 (2023). Management is currently assessing the effect that ASU No. 2016-02 will have on its consolidated financial statements.

Subsequent Events

Management has evaluated all subsequent events for possible recognition or disclosure through February 1, 2023, the date the consolidated financial statements were approved and available to be issued.

2. Investments

As defined in current authoritative guidance, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Organization uses various valuation methods including the market, income and cost approaches. The assumptions used in the application of these valuation methods are developed from the perspective of market participants pricing the asset or liability. Inputs used in the valuation methods can be either readily observable, market corroborated, or generally unobservable inputs. Whenever possible, the Organization attempts to utilize valuation methods that maximize the use of observable inputs and minimize the use of unobservable inputs. Based on the observability of the inputs used in the valuation methods the Organization is required to provide the following information according to the fair value hierarchy. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values.

Assets and liabilities measured, reported and/or disclosed at fair value will be classified and disclosed in one of the following three categories:

- Level 1 Quoted market prices in active markets for identical assets or liabilities.
- Level 2 Observable market based inputs or unobservable inputs that are corroborated by market data.
- Level 3 Unobservable inputs that are not corroborated by market data.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes to Consolidated Financial Statements September 30, 2022

The valuation methodologies used may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurement at the reporting date.

The table below presents the balances of investments measured at fair value on a recurring basis as of September 30, 2022 by level within the hierarchy.

	 Level 1	 Level 2	_	Level 3		Total
Investments:						
Fixed income funds	\$ 1,851,668	\$ -	\$	-	\$	1,851,668
Domestic equities	755,223	-		-		755,223
Domestic bonds	-	464,343		-		464,343
Domestic real estate funds	125,373	-		-		125,373
International equities	177,715	 		-	_	177,715
Total investments	\$ 2,909,979	\$ 464,343	\$	-	\$	3,374,322

Fixed income funds, domestic equities, domestic real estate funds and international equities are measured at fair value using quoted market prices. They are classified as Level 1 as they are traded in an active market for which closing prices are readily available.

Domestic bonds are measured at fair value using multiple sources of information that are corroborated by market data and are considered Level 2 items. The fair value is based upon quoted prices for similar, but not identical, assets in active markets, and other inputs that are observable for the asset, either directly or indirectly, for substantially the full term of the financial instrument.

Investments as of September 30, 2022 are shown as follows on the statement of financial position:

Investments	\$ 2,778,727
Long-term investments	 595,595
Total investments	\$ 3,374,322

3. Lessor Agreements

CW, the Milwaukee Police Department and Milwaukee County District Attorney have entered into lease agreements with SFPC to pay monthly rent starting in 2016 for 20 years, 10 years and 10 years respectively. The Organization also has lease agreements with Legal Action of Wisconsin and Wraparound Milwaukee starting in 2019 for 5 years each. Future annual rental income/payments as of September 30 will be as follows:

2023	\$ 74,593
2024	74,973
2025	71,616
2026	29,651
2027	14,000
Thereafter	 115,500
Total	\$ 380,333

Notes to Consolidated Financial Statements September 30, 2022

The cost and accumulated depreciation of leased property as of September 30, 2022 is as follows:

Building and building improvements Less: accumulated depreciation	\$ 5,330,643 (1,025,890)
Leased property, net	\$ 4,304,753

4. Long-Term Debt

The Foundation's long-term debt consists of the following at September 30, 2022:

CW, Children's Commitment to Project Costs: Non-interest bearing. Organization imputed interest of 1.09%. Principal will be forgiven evenly over a 20 year period beginning on the last day of the calendar year when the Project is substantially completed. Loan can be prepaid without penalty or premium.

2,470,000

The Foundation's total debt is summarized below at September 30, 2022:

Foundation total	\$ 2,470,000
Less current portion	 (190,000)
Long-term portion	\$ 2,280,000

Principal payments on the debt for the years ending after September 30, 2022 are as follows:

2023	\$	190,000
2024		190,000
2025		190,000
2026		190,000
2027		190,000
Thereafter	<u> </u>	1,520,000
Tatal	Φ.	0.470.000
Total	\$	2,470,000

Total imputed interest expense was \$25,175 for the year ended September 30, 2022. Imputed interest expense is included within in-kind contributions under management and general on the consolidated statement of functional expenses. In fiscal year 2022, \$190,000 was forgiven and included within the Family Peace Center noncash grants on the consolidated statement of activities.

The Organization is subject to certain requirements and covenants related to their debt. As of September 30, 2022, the Organization has represented that it is in compliance with all established covenants.

5. Letter of Credit

The Organization has an outstanding letter of credit which is available to reimburse the State of Wisconsin-Division of Unemployment for claims if necessary. The amount of available credit totaled \$55,110 as of September 30, 2022. The letter of credit expires December 31, 2025.

Notes to Consolidated Financial Statements September 30, 2022

6. Line of Credit

On July 1, 2022, the Organization established a \$444,890 line of credit with BMO Harris Bank. Interest on the line of credit is Wall Street Journal Prime plus 1.5% with a floor of 3%. The Organization's general business assets serve as collateral for the line of credit. The agreement indicated that the line of credit shall continue in full force and effect until it is paid in full or the Organization agrees in writing to terminate the agreement. As of September 30, 2022, there is no outstanding balance on the line of credit.

7. Designation of Net Assets Without Donor Restrictions

It is the policy of the Board of Directors to review its plans for future organizational needs at a Board meeting each year and to designate or release appropriate sums of net assets without donor restrictions to assure adequate financing of such activities. The Board designates net assets, along with accumulated earnings, for future capital improvements associated with the Family Peace Center facility, and it is included in the Board designated endowment fund. The total Board designated endowment fund at September 30, 2022 was \$2,305,014.

8. Net Assets With Donor Restrictions

Net assets with donor restrictions consist of contributions restricted by the donor for various reasons. These contributions can be summarized as follows at September 30, 2022:

Restricted by time	\$ 591,802
Restricted by use	407,433
Restricted by use, Kathie Stolpman Endowment Fund	372,582
Endowment Fund, principal to be invested in perpetuity	 223,013
Total	\$ 1,594,830

9. Endowment

There are two types of funds that make up the Organization's endowment fund established for the benefit of the Organization. These funds are general and donor endowment funds. General endowment funds are designated by the Board of Directors (quasi-endowment) for a specific purpose. Donor endowment funds have been received from a donor for endowment purposes and may or may not be designated for a specific purpose.

The Board of Directors understands that the Uniform Prudent Management of Institutional Funds Act (UPMIFA) is the applicable state law governing their endowment funds. UPMIFA laws have been interpreted by the Board of Directors as allowing the appropriation for expenditure for the purposes for which an endowment is established as the net appreciation, realized and unrealized, in the fair value of an endowment fund over the historic dollar value of the fund as is prudent under ordinary business care considering the facts and circumstances prevailing at the time the action is taken.

Investment and spending policies have been established by the Organization for endowment assets that attempt to provide a predictable stream of funding to the programs supported by its endowment while seeking to preserve the purchasing power of the endowment assets. The purpose of the Organization's investment policy, as approved by the Board of Directors, is to provide guidelines for investment, and performance of investments, of endowment funds that protect principal, grow the aggregate portfolio value in excess of the inflation rate and reach an effective annual rate of return that is equal to or greater than the designated benchmarks for the various types of investment vehicles, and to ensure that any risk assumed is in line with the given investment vehicle and the Organization's objectives.

Notes to Consolidated Financial Statements September 30, 2022

To achieve its investment goals, the Organization seeks an asset allocation that exercises risk control while achieving a balanced return of current income and long-term growth. The Organization's asset allocations are a blend of equity, fixed income and cash equivalents.

Interest, dividends and net appreciation in fair value of board-designated endowment funds are reflected as net assets without donor restrictions. Interest, dividends and net appreciation in fair value of donor restricted endowment funds are reflected as net assets with donor restrictions until appropriated by the Board of Directors. Earnings with donor restrictions on the donor restricted endowment whose restrictions are met in the same period are reflected as earnings without donor restrictions.

Quasi-Endowment

Certain net assets have been set aside for endowment purposes by the Board of Directors. As these amounts are not donor restricted but are designated by Board policy, the amounts have been classified as net assets without donor restrictions. From time to time, the Board may designate additional funds to be added to the quasi-endowment. The Board recognizes that a strategic or emergency need may arise that would require the use of these funds. The Board may access these funds by resolution presented and approved by three-quarters of the Board members.

Donor Restricted Endowment

The Organization has received gifts in which the donors have restricted the gift for investment and to be maintained in perpetuity to generate annual income for the Organization's general operating purposes. The Board may access these earnings by resolution presented and approved by three-quarters of the Board members. At no time shall donor endowment funds be removed from the Endowment fund.

Kathie Stolpman Endowment Fund

The Kathie Stolpman Endowment Fund was initially funded with the net proceeds of The Kathie Stolpman Tribute Event and with any future donor restricted contributions.

Each year, The Kathie Stolpman Endowment Fund may distribute up to five (5)% of the average of the fair value for the 12 (twelve) trailing quarters, or the number of quarters then available if less than 12 (twelve), of The Kathie Stolpman Endowment Fund to support the Shelter and related programs. An unlimited amount of The Kathie Stolpman Endowment Fund, including principal, may be used for any real estate acquisition or major improvement associated with the Shelter. Therefore it is reflected as board-designated funds with donor restrictions. Earnings on the Kathie Stolpman Endowment Fund are restricted until released for expenditure.

From time to time, the fair value of assets with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organization to retain as a fund of perpetual duration. At September 30, 2022, there were no underwater endowments.

Endowment net asset composition by type of fund as of September 30, 2022 is as follows:

		With Donor Restrictions											
	Without Donor Restrictions		Time and Purpose	Perpetuity			Total With Donor Restrictions	_E	Total Net Indowment Assets				
Donor-restricted Board-designated	\$ - 2,305,014	\$	- 372,582	\$	223,013	\$	223,013 372,582	\$	223,013 2,677,596				
Total funds	\$ 2,305,014	\$	372,582	\$	223,013	\$	595,595	\$	2,900,609				

Notes to Consolidated Financial Statements September 30, 2022

Changes in endowment net assets for the year ended September 30, 2022 are as follows:

				Wit						
		Without Donor Restrictions		Time and Purpose		Perpetuity		Total With Donor Restrictions		Total Net ndowment Assets
Endowment net assets, beginning Investment return, net of fees	\$	2,633,238 (328,224)	\$	428,178 (55,596)	\$	223,013	\$	651,191 (55,596)	\$	3,284,429 (383,820)
Endowment net assets, ending	\$	2,305,014	\$	372,582	\$	223,013	\$	595,595	\$	2,900,609

10. Lease Commitments

The Organization leases copiers for support of its programming staff.

Future minimum lease payments under operating leases for years ending September 30 are:

2023		\$ 20,174
2024		20,524
2025		20,524
2026		 20,524
	Total	\$ 81,746

Rent expense on the operating leases was \$22,751 for the year ending September 30, 2022.

11. Employee Retirement Plan

The Organization sponsors a 403(b) retirement plan for all eligible employees. All employees become eligible after working at the Organization 90 days and are 100% vested at that time. The Organization provides a matching contribution of one dollar for every dollar that the employee contributes, up to 3% of the employee's annual salary.

Employer contributions made to the plan for the year ended September 30, 2022 totaled \$98,261.

12. Grants and Contracts

Financial awards from federal, state and local governments in the form of grants are subject to special audit. Such audits could result in claims against the Organization for disallowed costs or noncompliance with grantor restrictions. No provision has been made for any liabilities that may arise from such audits since the amounts, if any, cannot be determined at this time.

Notes to Consolidated Financial Statements September 30, 2022

13. Availability of Financial Assets

The following reflects the Organization's financial assets as of September 30, 2022 reduced by amounts not available within one year for general use because of contractual or donor-imposed restrictions. Amounts already appropriated from either the donor-restricted endowment or quasi-endowment for general expenditure, donor restrictions for operations which will be met within one year, or assets only restricted for time that will be received in 2023 have not been subtracted as unavailable. As the Board of Directors can undesignate the Board Designated Endowment Fund, the amounts are initially reduced but then included in the calculation. Assets not available include amounts set aside for long-term investing in the quasi-endowment that could be drawn upon if the governing board approves that action.

Total assets	\$	22,847,291
Donor purpose restricted net assets and board designated net assets:		
Investments		(223,013)
Stolpman fund		(372,582)
Board designated		(2,305,014)
Assets not available to be liquidated in one year:		
Property and equipment		(16,546,021)
Prepaid expenses		(160,634)
Contribution receivable, long term	_	
Amounts available		3,230,652
Board designations:		
Quasi-endowment fund		2,305,014
Financial assets available to meet cash needs for general		
expenditures within one year	\$	5,535,666

The Organization's practice is to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due. The Organization is substantially supported by federal and state cost reimbursement contracts and contributions. The Organization has renewed the majority of their federal and state contracts through fiscal year 2023. The Organization's monthly cash unfunded expenditures are expected to be \$415,222 and at September 30, 2022. The Organization has approximately thirteen months of financial assets available to meet these obligations when including the Board designated quasi-endowment as available.

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

Independent Auditors' Report

To the Board of Directors of Sojourner Family Peace Center, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Sojourner Family Peace Center, Inc. (the Organization), which comprise the Organization's consolidated statement of financial position as of September 30, 2022, and the related consolidated statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated February 1, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Milwaukee, Wisconsin February 1, 2023

Baker Tilly US, LLP

Report on Compliance for Each Major Federal and Major State Program and Report on Internal Control Over Compliance Required by the Uniform Guidance and the State Single Audit Guidelines

Independent Auditors' Report

To the Board of Directors of Sojourner Family Peace Center, Inc.

Report on Compliance for Each Major Federal and Major State Program

Opinion on Each Major Federal and Major State Program

We have audited Sojourner Family Peace Center, Inc.'s (the Organization) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* and the *State Single Audit Guidelines* (the *Guidelines*) that could have a direct and material effect on each of the Organization's major federal and major state programs for the year ended September 30, 2022. The Organization's major federal and major state programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal and major state programs for the year ended September 30, 2022.

Basis for Opinion on Each Major Federal and Major State Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and the *Guidelines*. Our responsibilities under those standards, the Uniform Guidance, and the *Guidelines* are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our on compliance for each major federal and major state program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Organization's federal and state programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, the Uniform Guidance, and the *Guidelines* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal and major state program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, the Uniform Guidance, and the *Guidelines*, we

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design
 and perform audit procedures responsive to those risks. Such procedures include examining, on a
 test basis, evidence regarding the Organization's compliance with the compliance requirements
 referred to above and performing such other procedures as we considered necessary in the
 circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in
 order to design audit procedures that are appropriate in the circumstances and to test and report on
 internal control over compliance in accordance with the Uniform Guidance and the *Guidelines*, but
 not for the purpose of expressing an opinion on the effectiveness of the Organization's internal
 control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and the *Guidelines*. Accordingly, this report is not suitable for any other purpose.

Notes to Schedule of Expenditures of Federal and State Awards Year Ended September 30, 2022

Basis of Presentation

The accompanying schedule of expenditures of federal and state awards (the schedule) includes the federal and state grant activity of the Organization under programs of the federal and state government for the year ended September 30, 2022. The information in this schedule is presented in accordance with the requirements of the Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards (Uniform Guidance) and the State Single Audit Guidelines. Because the schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets or cash flows of the Organization.

Summary of Significant Accounting Policies

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Pass-through entity identifying numbers are presented where applicable.

Indirect Cost Rate

The Organization has elected to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Schedule of Findings and Questioned Costs Year Ended September 30, 2022

Section I: Summary of Auditors' Results

Financial Statements

Type of report the auditor issued on whether the consolidated financial statements audited were prepared in accordance with GAAP:	unmodified
